

12-14 July 2022 Krakow, Poland

Since 1950 www.etcc2022.org

**European Technical Coatings Congress ETCC2022 will take place on:
12 – 14 July 2022 in Krakow.**

For more detailed information please visit: www.etcc2022.org

The ETCC2022 presentations refer to the latest scientific and technical achievements concerning: **paints, coatings, raw materials, adhesives, construction materials, related processes and concepts.**

ABSTRACT SUBMISSION, deadline: 30 January 2022

View your measurable benefits from some ETCC2020 Facts & Figures :

- ✓ Over 130 oral and over 60 poster presentations already accepted to be presented by 200 authors from many countries world-wide, please see the congress programme at: www.etcc2022.org/en/congress/congress-program
- ✓ Possibility of publishing congress papers in renowned journals is arranged www.etcc2022.org/en/congress/publication-in-journals
- ✓ Exhibition prepared, details available at: www.etcc2022.org/en/congress/registration-form-for-exhibitors
- ✓ The “SummerSchool” program for young scientists is created, available at: www.etcc2022.org/en/congress/summer-school

During the three days of the event there will be **plenary presentations, 6 parallel sessions, poster presentations, an exhibition and the “Summer School” session.** Speakers are representing the largest companies, institutes, and universities world-wide.

Topics of papers to be submitted refer to:

- Advances in science of paints, coatings, adhesives and construction materials
- Polymers and other raw materials usage
- Chemical composition and products specifications
- Progress in processing and production
- Corrosion protection products
- Measuring and testing, quality systems

- Application methods and application equipment
- Equipment and production lines
- Products and process legislation
- Environment, safety and health issues
- Thermal and weathering degradation of paints and coatings

Awards of 1000 € each will be granted for the following categories:

- ✓ Best presentation of the congress
- ✓ Best paper presented by a young scientist
- ✓ Best paper with ecological content
- ✓ Other awards and recognitions

The ETCC2022 organisers are:

FATIPEC – Federation of Associations of Technicians for Industry of Paints in European Countries (www.fatipec.com)

and

SITPChem – Polish Association of Chemical Engineers (www.sitpchem.org.pl)
